(1) First 2 Tons (T) x \$800/(T) Maximum Grant Award: \$4,050.00

(2) Remaining Tons x \$700/(T)

Total Request: (1) + (2)

Grant Application Declaration of Understanding - I understand and agree that:

- 1) the information provided on this form is true and correct to the best of my knowledge
- 2) the State of Delaware and its agents provide no warranty for this system
- 3) all warranties are provided by the installing contractor and shown on the final invoice as minimum 5 years parts and labor
- 4) my renewable energy system may be subject to inspection by the state or its agents prior to or after grant payment
- 5) I must comply with all ARRA Relief Program rules and requirements to be eligible for funding
- 6) I must complete an energy audit through Energize Delaware and energy efficiency improvements valued at a minimum of 10% of the value of my ARRA Relief Program grant incentive in order to be eligible for funding
- 7) my installer MUST complete the Renewable Energy Job Hours Reporting Worksheet when installation is complete and this form must be submitted with final grant documentation in order to be eligible for ARRA Relief Program funding
- 8) I will not receive grant payment until Energize Delaware approves my energy efficiency improvements
- 9) my project must comply with federal Davis Bacon Act prevailing wage requirements and other ARRA requirements
- 10) If I choose not to complete the ARRA Relief Program requirements I will be required to resubmit an application for the traditional Green Energy Program funds offered through my electric utility
- 11) my application must be submitted to the Green Energy Program Team by November 1, 2011 to be eligible for funding and the installation of my system must be completed and all final application materials **must be submitted by March 1, 2012.**
